

Physical and Financial outlay of expenses

College will incur the expenses under four categories viz. construction, renovation, equipments, and soft components. It will help to give justice to the SEDJ students and up-grade the technology. The state of the art instruments will be introduced to provide latest knowledge and skills to the students. The courses introduced will develop entrepreneurial skills among the students. The soft components introduced will develop the soft skills of students and awareness about NEP-2020 and IKS. The particulars of expenses incur are as follow.
