6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The college collects the information of the work done by each member of the teaching and non-teaching staff during each academic year. Their work is then evaluated for their sincerity towards work, loyalty towards institution and commitment to work and institution. Accordingly API forms of the teaching staff and confidential reports of the non-teaching are prepared.

The UGC, the parent university and the GR of Maharashtra Government in case of teaching staff are taken into account while deciding their seniority for promotion. The API forms thus filled are submitted to the Principal, who checks them up for any corrections if any and placement committee is invited.

In case of non-teaching staff, their confidential reports are placed before the President of the Samiti which runs the college and the proposals of their promotion are sent to the government according to their seniority.

The college also collects the feedback and analyzed every year. The college conducts its academic and administrative audit every year. The academic audit is done by an external expert not below the rank of a Principal. For the administrative audit, services of a Chartered Accountant are taken every year.
