Parenting Report
Year – 2023-24

Dr. Sanjay B. Rachalwar

The newly admitted students as well as the senior students face some problems and queries in academic, curriculum as well as co-curriculum, to overcome such problems or queries the system of Mentor-Mentee is applied to every teacher of college.

In the session 2023-24, I have accepted Six students of B. A. Part I, Three students of B.A. Part II and One student of B.A. Part III. Total 10 students were accepted as guardians. We are connected with each other by the whatsapp group. I have conducted 2 meeting in the year and regularly touch with them, who have accepted the guardianship throughout the year to inquire about their problems and suggest solutions.

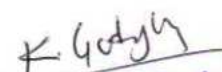

They were guided by giving information regarding scholarship forms, examination forms, participation in various activities organized in the college, curricular & co-curricular activity etc. Laptops and internet were provided to some students to fill up the scholarship form. Some students were helped to create their email IDs.
