Vision And Mission

Vision

"To strive to impart quality higher education to students from economically weaker sections, backward classes and rural areas and inculcate in them the spirit of learning, the spirit of social and cultural responsibilities, the spirit of brotherhood and fraternity so that they can stand at par with their counterparts from urban places and be developed holistically into the nation's worthy citizens".

Mission

- To develop students into patriotic, passionate and performing citizen of the country.
- To instil ethical values in students so that they fight out against injustice, and evil trends in the society
- To expose students to such skills as would help them stand on their own legs.
- To bring students into the stream of e-learning.
- To be a beacon light to non-accredited colleges of the region.
- To make students aware of global environmental issues and ignite in them the spirit of protecting Mother Earth.
