Gramin Project-Workshop on Health Check Up Camp

Date-29/12/2024

It is important for all sections of society to have good health. It is important for every individual to have good health. For this purpose, a one-day health check-up workshop was organized on 29/12/2024 at the adopted village of Galva by the Department of Political Science of Smt. Nankibai Wadhvani College of Arts. Women are an important component of the family in the social system. The role of women is very important in the overall development of society. Today, women are involved in all fields. Women empowerment is gaining momentum, so it is important for women to be aware of their health. Women pay attention to their health, and there is a need to guide women towards healthy health.

Today, women are involved in all fields. Women need to be physically fit to fulfill their duties and responsibilities. In this regard, in a one-day workshop, Dr. Varun Dahake guided women on their health and guided them on their bone-related problems and issues. Women's health was also checked.

Dr. Arun Dahake gave guidance on the lack of exercise and untimely diet among rural women. This leads to problems like severe bone pain and joint pain. It is important for women to be aware of their diet. Women need to make lifestyle changes. Regular exercise and a nutritious diet rich in calcium, vitamins, and protein are essential for strengthening bones.

Women face various diseases due to lack of nutritious food. A one-day health check-up camp workshop was organized with the aim of creating awareness among women about diet and ensuring their good health. It is important for women to take care of their bone health as they age. A balanced diet provides nutrients to our body. Include fruits, vegetables, protein-rich green leafy vegetables and calcium-rich foods in your daily diet. Consult a doctor to resolve bone-related problems. Such enlightening guidance was given by Hon. Dr. Varun Dahake. This time, the bone-related problems of the women present were examined and guidance was given regarding medical treatment.

Dr. Dahake Madam guided the students regarding the problems of teenage girls. She guided them regarding the problems related to hair in girls. It is important for teenage girls to eat a nutritious diet. It is important for teenage girls to be aware of their health. In this regard, it is important to take yoga, vitamins, and a diet rich

Class Seminar-International Womens's Day

Date-8th March 202

The role of women in the development process of the country and also in social development is very important. In the traditional social system, women had a secondary position. They were not given any kind of development opportunity. Even the opportunity of education was not available to women. They were deprived of their rights. Social reformers in India and Maharashtra brought about social reforms for the advancement of women. Today, women are working in all fields. College students should be made more aware of Indian constitutional provisions, laws, political, social and economic rights of women.

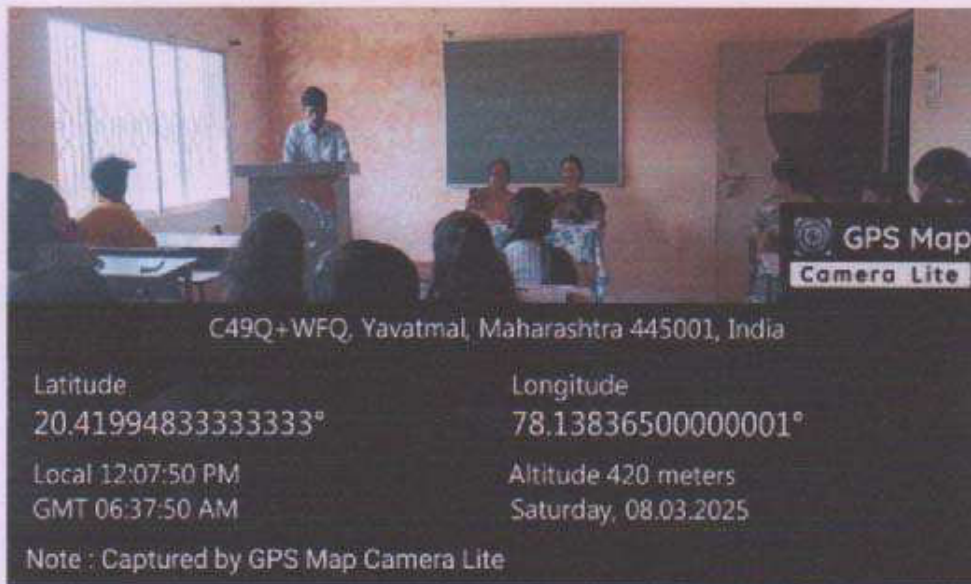

With the aim of creating awareness among the students in this regard, a class seminar program was organized by the Department of Political Science of the college on the occasion of International Women's Day on Saturday, March 8th 2025. College students participated in this class seminar. Women were provided with opportunities in the field of education without any discrimination on the basis of caste, language, religion, etc. in the society. The educational development of women was given a boost. Due to the dedication and hard work of women in education, women are participating in all fields. College students and mothers should be aware of their culture and civilization. Women are playing an important role in all fields. They are responsible for all relationships in society. There is a need to adopt a positive attitude towards women in the social system. It is important for women to be provided with opportunities in the economic sector through self-employment and small scale industries, to receive training in this regard, and to become financially empowered. It is essential for women to be empowered so that they can enjoy their independence.

It is also necessary to respect women in the social system. The role of women in society is very important. Therefore, it is necessary for women to be empowered. This opinion was expressed by college students Asmit Akale, Nilesh Chaudhary, Manashree Sheram, Ravi Pache, Sarita Joshi and Gaurav Gajre.
