Pupils College teaching staff and students

Today, school college students are under stress of studying during exams, they stay awake and study for longer hours during exams. Sometimes there is a confused state of mind during exams. Listening to soothing music at such times helps to calm the mind. Whatever music it is, instrumental music can increase your concentration. Listening to the music of any instrument like flute, piano, violin, clarinet etc. can keep your mind healthy, calm and happy. If you are restless or listen to loud music during exams, your mind can become distracted. Such guidance Done by Prof. Vandana Ingole.

A large number of students were present on this occasion. Prof. Vipassana Ingole, B. M. Dehankar, Ms. Kavita V. Ingole, Tina Landge etc. class teachers were present.

The above lecture was organized with the cooperation of Mr. Gujar Sir, Kalorkar Sir of Pupils College.

Report on Career Guidance Program Organized by the Sociology Department

Date: 18 November 2025

With the objective of creating awareness among students about the numerous excellent career options available for Arts stream students after the twelfth grade, the Sociology Department of Smt. Nankibai Wadhvani Arts College organized a Career Guidance Program at Jawahar Higher Secondary Girls' School on Friday, 18 November 2025, under the guidance of Principal Dr. Jayant Chatur Sir.

Many excellent career options are available for Arts stream students after the twelfth grade, enabling you to choose an appropriate course according to your interests and skills. You can opt for a three-year degree course and select subjects such as English, Marathi, Sociology, History, Geography, Political Science, Philosophy, and Economics. Additionally, besides degree courses, you can also pursue careers in the following fields such as Government Jobs. You can aim to become an administrative officer (e.g., IAS, IPS) by taking Central and State Public Service Commission examinations (UPSC, MPSC), for which a degree is required. Through the Staff Selection Commission (SSC, CHSL), you can apply for positions such as clerk or data entry operator in central government departments. Opportunities are also available in police recruitment or other defense services. However, before pursuing any of these, when choosing a career, select the field in which you have interest and ability, as this will help you achieve success in that field. This guidance was provided by Prof. Dr. Vishakha Dhere during the program. The program was conducted by Prof. Nisha Shedde Madam, while the vote of thanks was delivered by Prof. Ajmire Madam. The special cooperation of Principal Tandrawar Sir of Jawahar Girls' Higher Secondary School was instrumental in making the program successful. The program received an enthusiastic response from the students.

Department of Political Science Organized

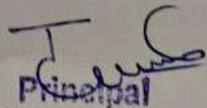

Higher Education Programme

Date-18/11/2025

Education is an important tool for change and the overall development of an individual. Education is the means by which we can create awareness among all sections of Society and students about the values of Democracy, including Socio-political values, moral Values, freedom, equality, fraternity. Awareness should be created among students in this regard and they should be given guidance regarding higher Education. With this aim, a career guidance program was organized by the Department of the Political Science on dated 18th November 2025 at Jawahar Higher Secondary Junior Girls' School Lohara by the Department of Political Science in the college. After passing class 12, a University Degree is important for students to set their goals and achieve them. Education leads to the all-round development of our personality and creates awareness about moral values. Prof. Dr. Kalpana S. Godghate, Head of the Department of Political Science, enlightened the students by saying that opportunities for access to public service jobs, employment and self-employment are available through education. The success of the program was made possible with the co-operation of the college Principal, shri . Tandrarvar Sir, and the college professors.

He expressed optimism that this policy will be useful for creating employment through education in the future. The incoming education system is based on foreign lines from which students can get detailed information about the actual field by visiting it. Although the National Education Policy has various opportunities, it also has to face various challenges. Of course, the new education policy has provided students with the opportunity to learn according to their craft right from childhood. In this seminar, Administrator Vijayji Dange, Principal D.Y. Satpute, Lalit Shirbhate, Ashwin Khobragade, Arvind Lomte and Dayawan Kamble were present before teachers and loud students.

Dept of Political Science Organized -Rural Project

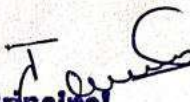

Rural Project -Women Empowerment and Awareness

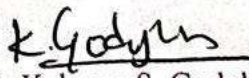

Saturday, November 29th , 2025

The role of women is very important in the overall development of society, it is necessary for women to have access to opportunities for overall development in the political, economic and social spheres. The rights granted to citizens in the Indian Constitution and the constitutional provisions regarding women are providing women with opportunities for development. Women are becoming financially empowered through women's self-help groups. The provision of 50 percent reservation for women in the Panchayat Raj system is giving a boost to women's political participation. Women are becoming financially empowered through employment and self-employment for women through women's self-help groups. Women are becoming financially empowered through employment and self-employment for women through women's self-help groups.

It is important that women receive information and awareness related to financial matters from a professional perspective. For this purpose, a joint initiative was organized by the Department of Political Science of the college and Dindayal Prabodhini Pratishthan. A one-day program on the topic of Women Empowerment and Awareness was organized on Saturday, November 29, 2025 at Dindayal Prabodhini Nilona, Yavatmal. Education is an important tool for social development as well as for the overall development of an individual. Through education, students develop social, educational awareness, and awareness of social and moral values. Students gain knowledge about their language and culture. Education is a continuous process, meaning that from primary education to higher education, a person learns from the experiences they have through education. Students have educational opportunities. Students should develop their skills along with their education and develop an interest in the subject through various activities.

For this purpose, the Department of Political Science of the college has established an adopted village under the Rural Project. A student art painting competition was organized at Zilla Parishad Upper Primary School, Galvha on Saturday, November 29, 2025. Students from classes 1 to 8 participated in this competition. They were provided with the materials required for the painting competition. Prof. Dr. Kalpana S. Godghate of the college guided the students about the painting competition. The school teachers Shri Narendra Paropte, Sanjay Kurwade, Mangala Wakade and Jyoti Khandale provided support.
