Report: Implementation of Digital Teaching-Learning Methodology in History

**Introduction -**

In accordance with the National Education Policy (NEP) 2020, which promotes the digital transformation of education, the Department of History has officially transitioned to an integrated digital pedagogy. From the academic session \*\*2025-26, the teaching and learning process for History has been successfully initiated through the \*\*Google Classroom\* platform.

**Scope and Implementation -**

The digital classroom environment has been developed for students across three primary levels:

1. B.A. Year I
2. B.A. Year II
3. B.A. Year III

By utilizing Google Classroom as a Centralized Learning Management System (LMS), the department ensures that academic resources are organized, accessible, and inclusive for all students.

## Conclusion-

The integration of Google Classroom, combined with the specialized content created by \*Dr. Siddharth Jadhav\*, marks a significant milestone in modernizing history education. This technical approach not only simplifies the learning process but also equips students with the digital literacy required in the modern era.

Through Google Classroom, students are provided with course-related videos, PDF, and class assignments.
