CMS – College Management System

Introduction to CMS

CMS stands for College management system. It is designed and developed by Biyani Technology, Kolhapur. CMS aims at immediate availability of data in required formats to ease the work of staff and management and increase in transparency and accountability in administration.

Modules are as follows:

1. General module's
2. Student module's
3. Cashier module's
4. Report module's
5. Payroll

Benefits of CMS:

Campus automation software enables institutions of higher learning including colleges to manage admission and learning processes. They are designed and developed to provide real help in managing enrollment of students; attendance; monitoring faculty; providing fee details; and maintenance.

CMS is a comprehensive web based software with a multitude of user-friendly features all included in a very responsive design. The software would help in managing the entire system from academics to administration in a hassle free manner. The automated system allows teachers, students, parents and administrators to remain in touch with each other. It is for better communication and services.

Annual Maintenance Contract Letter

Date: 2nd February 2026

Outward No: PT/KK/2026/1003

To,
The Principal,
Smt. Nankibai Wadhwani Kala Mahavidyalay, Yavatmal

Subject: Annual Maintenance Contract

Dear Sir/Madam,

It is our pleasure to be associated with reputed organization like yours. During this period, we have sincerely tried to provide you best service, train the user group and assist them in all possible ways. Our engineers have several times visited your campus and provide you onsite support and services.

It is now time to further strengthen our relationship by signing Annual Maintenance Contract. Under this maintenance contract following services will be given:

1. **Unlimited - Telephonic Support:** We have established 10 Hours X 6 Days helpline to solve your queries over phone.
[9:30 am to 6: 30pm, Monday to Saturday]
2. **Unlimited - Remote Desktop Connectivity Support:** Under this service our engineers would view your computer from our office over internet, solve your queries remotely and provide you all support. Across the year, you may avail this remote support/ service as per your convenience and time. Under this service, we will provide training to any new users, solve the queries, do the routine software maintenance, update to The Principal and Management about the status of the project and provide free consultancy about other software products & office automations.
3. **If Required Free Onsite Support Calls (2 One Day Visits):-** Across the year, you may avail this onsite support / service as per your convenience and time. Under this service, the engineer will visit your site, provide training to any new users, solve the queries, do the routine software maintenance, update to the Principal and Management about the status of the project and provide free consultancy about other software products & office automations.
(You are requested to make lodging & boarding arrangement for our engineer).

Report of Google Classroom

Department of History

Academic Session: 2025-26

Google Classroom BA – 1 Sam. – 1,2 (NEP-2020) 2025-26

Report: Implementation of Digital Teaching-Learning Methodology in History

Introduction -

In accordance with the National Education Policy (NEP) 2020, which promotes the digital transformation of education, the Department of History has officially transitioned to an integrated digital pedagogy. From the academic session **2025-26, the teaching and learning process for History has been successfully initiated through the **Google Classroom* platform.

Google Classroom

Prof. Dr. Siddharth B. Jadhav
H.O.D.
Dept. Of History
Smt. Nankibai Wadhvani
College Yavatmal (M.S.)

Scope and Implementation -

The digital classroom environment has been developed for students across three primary levels:

1. B.A. Year I
2. B.A. Year II
3. B.A. Year III

By utilizing Google Classroom as a Centralized Learning Management System (LMS), the department ensures that academic resources are organized, accessible, and inclusive for all students.

D) BIOMETRIC ATTENDANCE:

Biometric devices ensure accurate attendance information that can be made available online and reflects the punctuality of faculty. It facilitates the Accounts department and HR department etc. to share faculty attendance information comfortably. This attendance is also reflected in the Academic Audit Cell portal and keeps the attendance information transparent to the office.
